Sound  
Beginnings  
for a  
Brighter Future  
for 600 Children

“ Education  
and development are  
seeds one to the other:  
The key is the humanisation  
of schools and the  
development of a  
comprehensive curriculum  
based upon the whole  
individual. ”

## Why our project?

The Cavern Resort and Montusi Lodge have long been involved in providing aid in the Amazizi area. Together with donations and assistance from guests, friends and businesses, we hope to give local children a sound foundation for the long-term prosperity of our area and our country.

### We aim to:

- Create education facilities of an excellent standard
- Provide a foundation for life-long learning
- Develop learners self respect
- Empower the community

### We support 14 pre-schools by:

- Providing a nutritionally balanced meal to every child, every day
- Training & equipping teachers with expertise
- Upgrading and maintaining school facilities
- Supplying educational toys and books to each school
- Stimulating the local economy by contracting community businesses & individuals
- Promoting parent & community participation in management

### You can help:

- **Make a donation** where funds go directly to help the children
- **Give time** and expertise to assist the school
- **Donate** books, toys and stationery
- **Bring jumble** to help raise funds for the project
- Email us [projects@cavern.co.za](mailto:projects@cavern.co.za)
